Future-Proofed Solution

Our History

Celebrating **25** XBC-IT
YEARS

The XBC Group was founded in 1998 as an Authorised Xerox Partner.

At XBC-IT we continuously pursue excellence in every aspect of our business and strive to be a successful and empowered market leader.

Our commitment begins long before the product is installed and continues through the life of the solution. It's a journey. We have the resources to help our customers reach their destination, every step of the way—from market-leading technology and award-winning workflow to result-generating business development resources and proven production consulting services

A Future-Proofed Enabler
WATCH NOW

This is us

The past that inspired the future to pursue excellence

Our Core Values

Team Work

We drive success through strong collaboration and being loyal to one another

Adaptability

We embrace change

Passion

We perform our roles with purpose and positive attitudes

Accountability

We are accountable for our actions

Respect

We treat everyone with respect and dignity. We Value diversity and differences of opinion

Ambition

We are the change we want to see

Service Excellence

We do what we say

Our Footprint

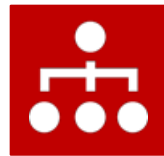

XBC-IT have 25 years operational experience

And an Africa Footprint through our Partners and Distributors.

We deliver service excellence

Our Future-Proofed Solutions

We are customer focused-we deliver excellence through Integrity, Accountability and Passion; we are what we repeatedly do. Excellence is then not an act but a habit.

Managed Print Services (MPS)

Printing the future

Whether documents are paper or digital, they're necessary to help serve customers and drive business. Yet most companies don't know how much time and money they spend on document processes and printing devices.

“Driving your business into the future”

Production Solutions (PSG)

Our BIGGER is BETTER

XBC-IT offer the broadest portfolio of production printers and cut-sheet digital presses print solutions in the market. Whether you are searching for an entry level digital printer or an advanced digital press, XBC-IT offers a choice of technology options for your business. Our entry level digital printers help you keep your customers satisfied. Our latest digital press, the Versant 180 and the Versant 3100, enables you to tackle high-end printing projects without breaking the bank. If you want to increase your print productivity, the PrimeLink digital colour press is a sound and affordable investment. If you'd like to drive your colour digital printing to the next level, consider the Xerox Iridesse or Xerox iGen5 digital presses.
